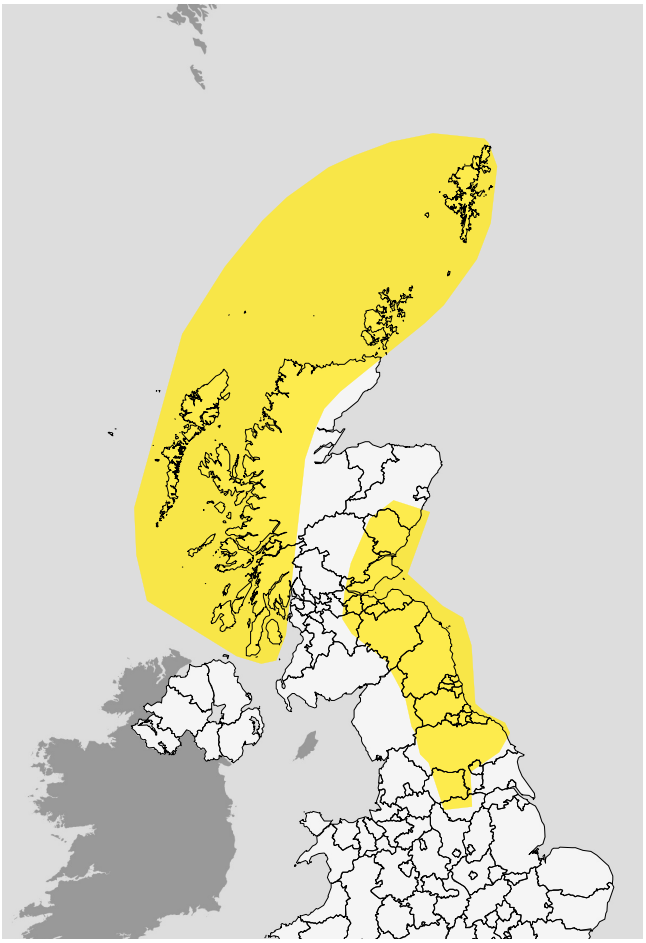
21:00 Tue 7 Jan 2020



Windy conditions for parts of Scotland and northern England with a chance of some disruption.

What to expect

- There is a small chance of longer journey times or cancellations as road, rail, air and ferry services are affected with some roads and bridges closing
- There is a small chance that injuries and danger to life could occur from large waves and beach material being thrown onto sea fronts, coastal roads and properties
- There is a small chance that injuries and danger to life could occur from flying debris as well as some damage to buildings, such as tiles blown from roofs
- There is a slight chance that power cuts may occur, with the potential to affect other services, such as mobile phone coverage
